## Piraeus History

Visitors who are interested in gaining information about the Piraeus historical monuments should try to make a stop at the local tourist information office early on in their trip.

### From ancient times to modern era

#### Timeline

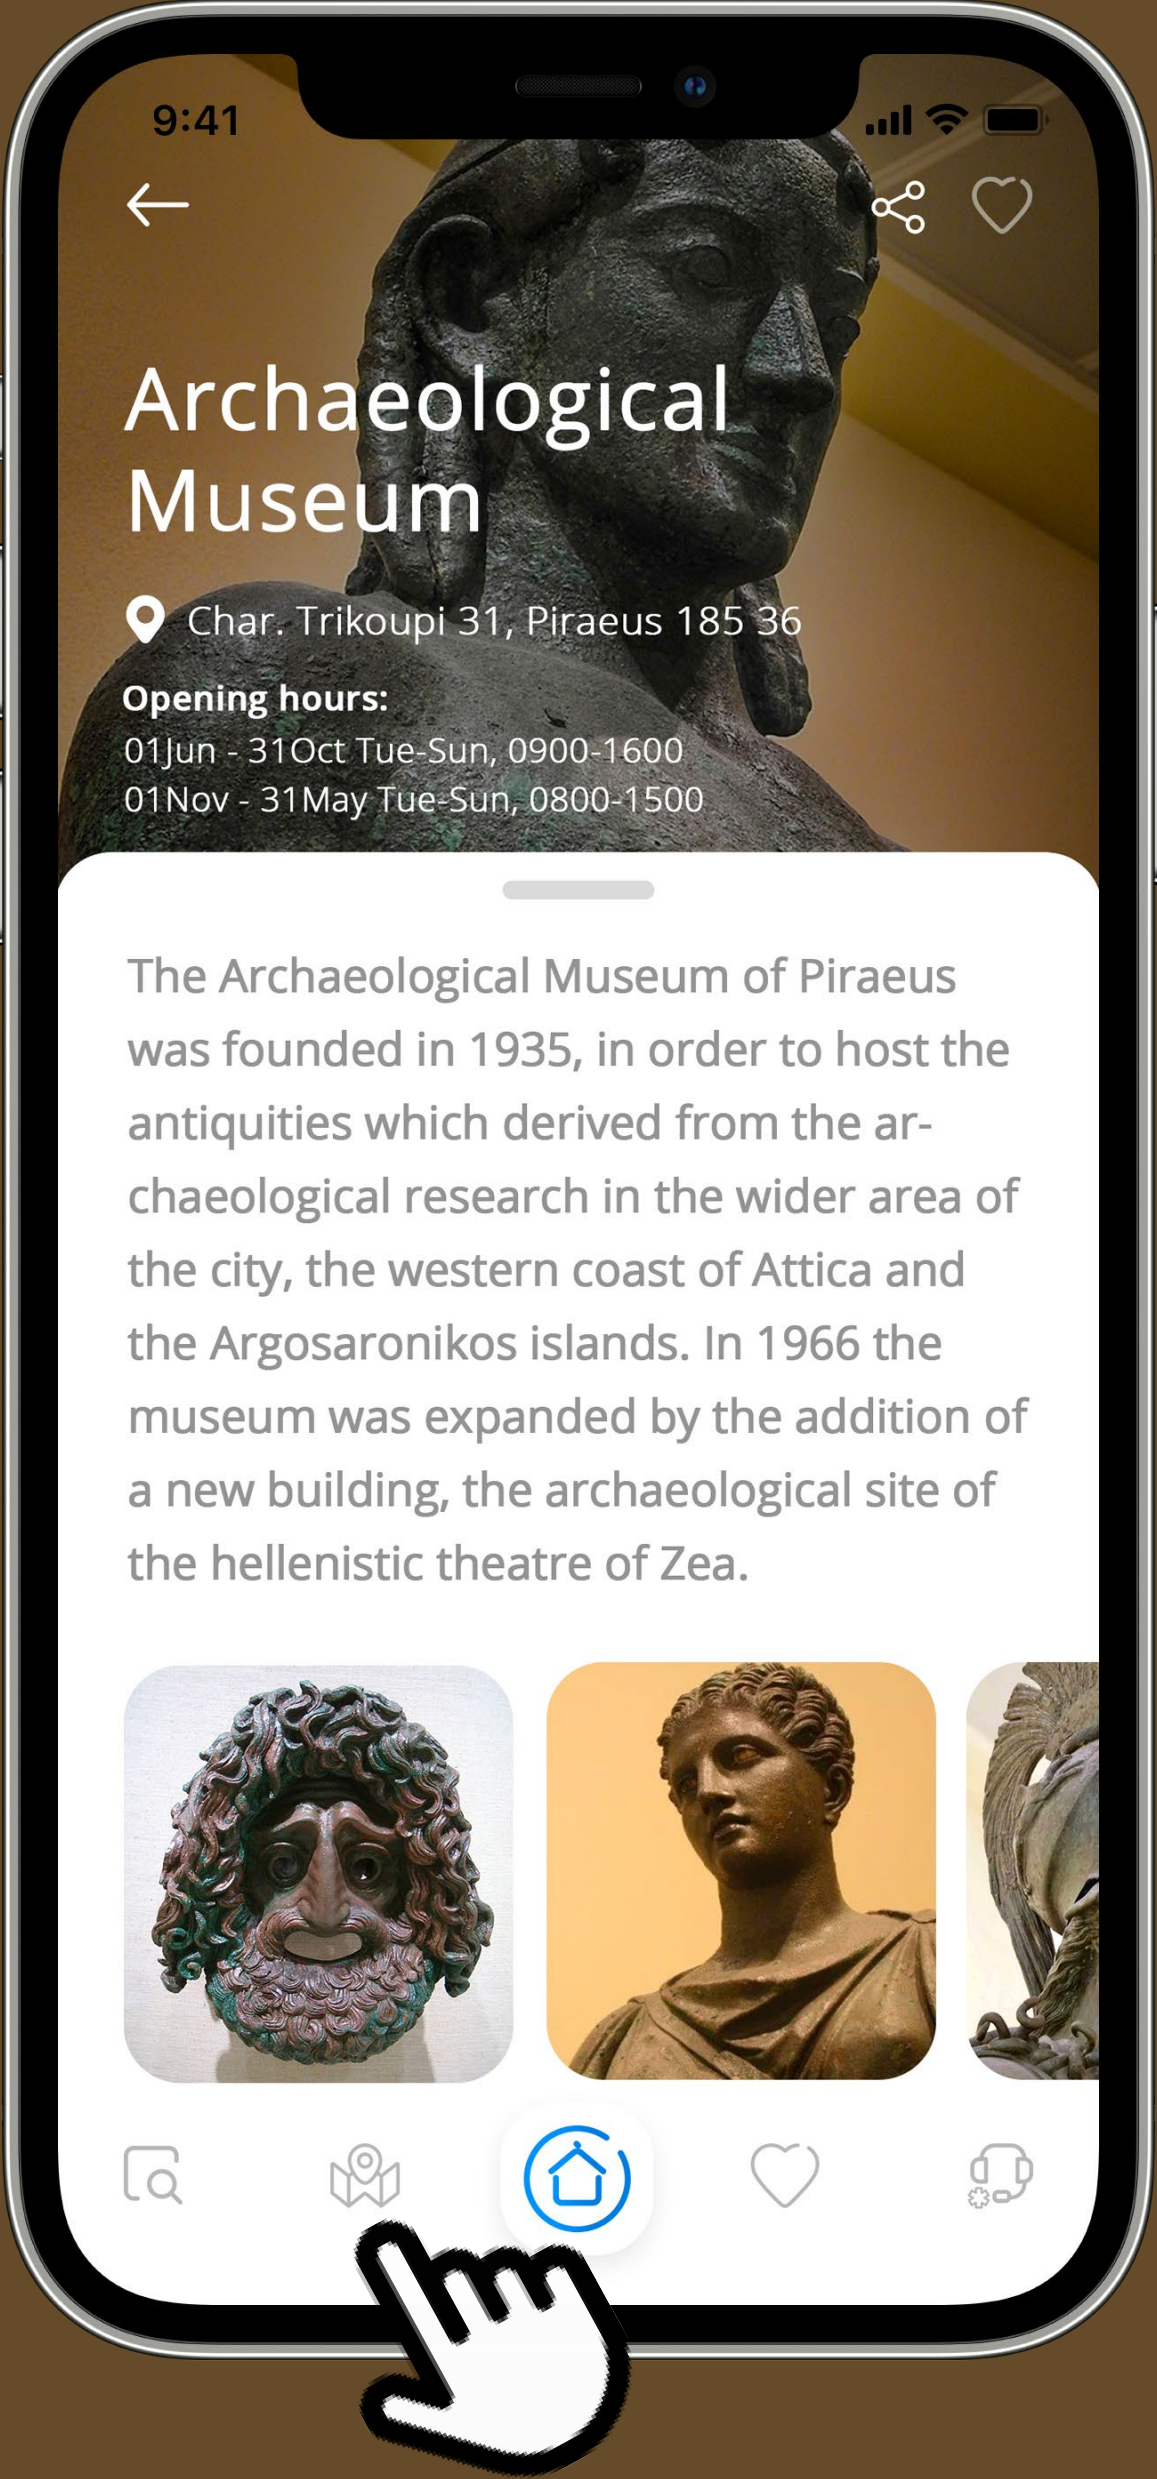

A timeline of the brief summary of that history includes the following important dates:

- 2600 B.C. – The area which is now known as Piraeus is first inhabited by prehistoric civilizations.
- 5th Century B.C. – The port of Piraeus becomes the official port of Ancient Greece .
- 400 B.C. – Democracy is established in the area.
- 395 B.C. – Goths invade the area. It remains mostly unsettled for centuries.
- 4th Century – The French use the port.
- 5th Century – The Turks take over and use the port.
